Re: Patent Application number 09800556

---

Dear Examiner of my Patent Application,

Please, add the following changes to the patent application number 09800556 filed on 03/05/01.

**Title of the Invention:**

Idea and invention of the order-delivery service via interactive systems (TV set with cable box or satellite dish interactive network, wireless or Pro/wireless, PDAs, Handhelds, Pocket PCs) and order-delivery system providing customers with the access to menu of the fast food restaurants, other restaurants and dining places and ability to order ANY PRODUCTS.

**Claim or Claims:**

What I claim as my inventions are:

1. Idea of the order-delivery service via interactive systems (TV set with cable box or satellite dish interactive network, Wireless or Pro/wireless, PDAs, Handhelds, Pocket PCs)
2. Invention of the order-delivery system via interactive systems that will allow potential customers to access menus of the fast food restaurants, dining places and ANY PRODUCTS and order goods using a remote control device of a TV set, Cable box, Satellite dish network box, Wireless or Pro/wireless, PDAs, Handhelds, Pocket PCs.
